Dear Perspective Camp Counselors,

We are so excited to start planning for our 2020 camp season!

Attached you will find the 2021 Lake County 4-H Camp Whitewood Camp Counselor application. The applications are to be filled out and received to the extension office no later than January 15, 2021 at 9 pm. The county offices close at 4:30, there is a filing cabinet outside our office door for you to drop them off at. If it is after 4:30 you scan and email them to me at miller.4209@osu.edu. If you are a returning camp counselor you do not need to have reference forms filled out. Camp Counselor interviews will be scheduled during the first 2 weeks of February. All applicants who get their applications in on time will be notified of those dates. Camp counselor training will begin in late February. Many people are wondering if we will have a camp season this year due to COVID 19, the answer is yes, we are planning on a face to face camp. It may be a little different, but the Camp Whitewood Board is planning to have face to face camp.

Please feel free to pass this application along to anyone is interested in being a camp counselor and you think would make a great addition to our camp counselor team. If you have any questions please do not hesitate to contact me at 440-350-2268 or miller.4209@osu.edu. On behalf of the Lake County Camp Whitewood Deans, Brad Bly, Ashley Hudzik, and Cooper Van Pelt, as well as myself, we are very excited to start our 2020 camp training season! We are looking forward to an educational and fun camp experience for everyone.

Best Regards,
